# FOOD & DRINK AT UEL

The University of East London has nine catering facilities (cafés and restaurants) across the Docklands and Stratford Campuses. Each has its own unique identity offering a range of freshly prepared meals, including vegetarian and halal options, as well as snacks, desserts and hot and cold beverages.

Over summer 2010 we refurbished four of our catering facilities as well as the Underground Bar at the Docklands Campus. With seating and WiFi access available at all our outlets you will be able to enjoy your breaks in a comfortable and friendly environment.

UEL is committed to providing the highest standards of food and service quality and we have recently introduced Fairtrade coffee in all of our catering outlets.

We hope that you enjoy your time at UEL and we look forward to seeing you soon.
