

February application drop-in evening

Wednesday 20 January

5.30-7.30pm

Event guide

Welcome to the University of East London and to our February application drop-in evening.

Applying to UEL

Applying at today's event

Step 1: Visit the school that offers the programme you are interested in studying. Ask a member of staff for an application form to complete. Return the completed application form to the school desk for an immediate decision.

Step 2: If you are offered a place, take your completed application form and decision sheet to the Admissions team in room EB.G.10 who will issue you with your offer letter.

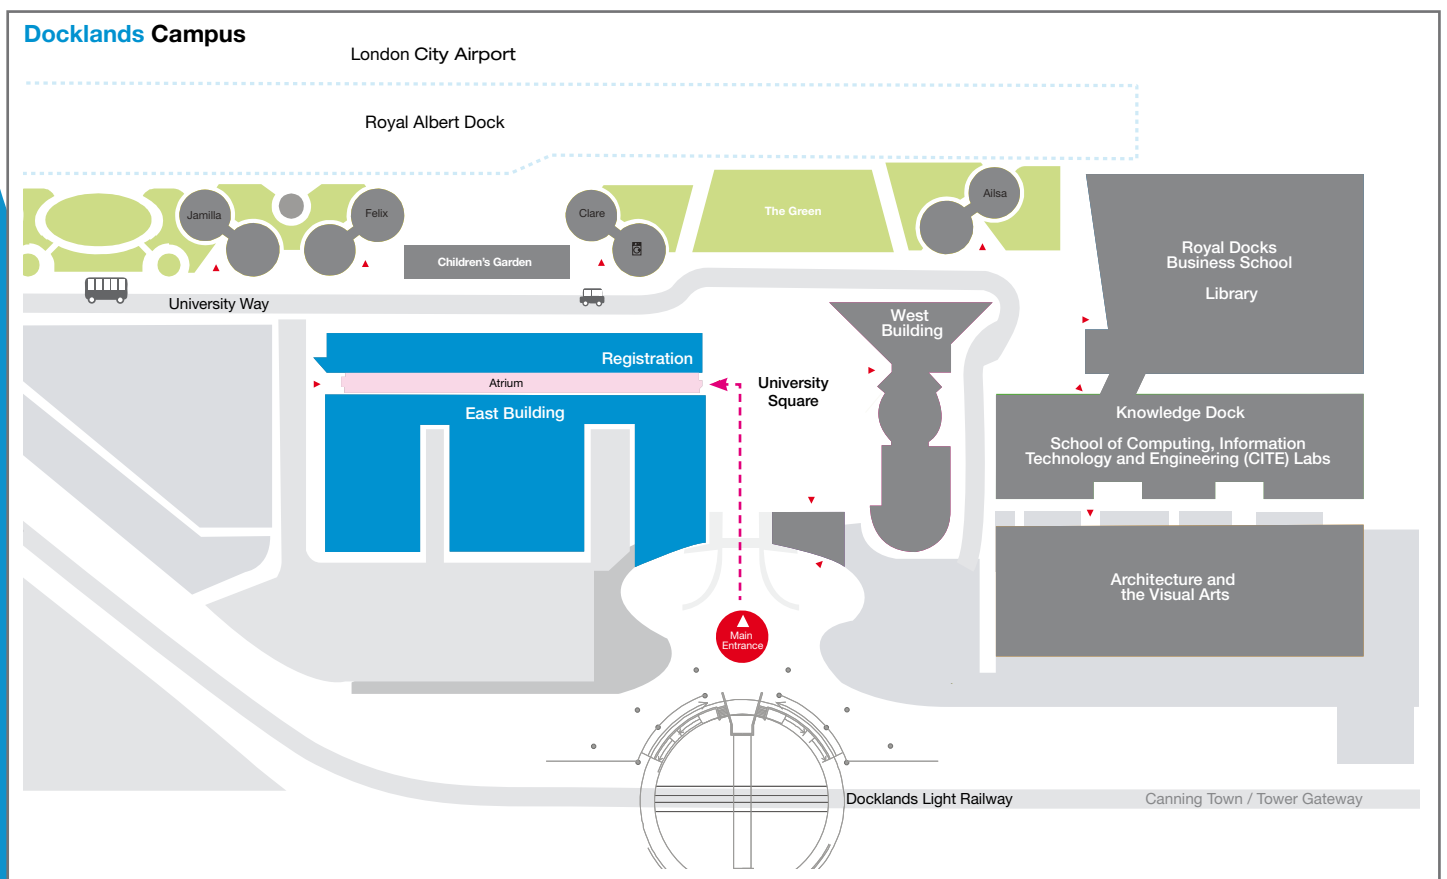

Please note that applications are open for September 2010 but it is unlikely we will be able to process your application today.

Apply online

Apply online at www.uel.ac.uk/apply

Help and guidance

There will be signage to guide you around the event and our student ambassadors will be on hand to help. All of our student ambassadors will be wearing blue t-shirts so you will be able to identify them easily.

Campus tours

Student ambassadors will lead tours of the University's Docklands campus and its facilities as well as our student accommodation. Tours will leave regularly from outside the Students' Union shop.

Money matters – EB.G.09

Meet our Student Money, Advice and Rights Team and find out what financial support is available to help fund your studies. If you are considering applying for a student loan, there will be staff on hand to provide advice and help you complete your online application form.

Refreshments

Complimentary hot and cold drinks will be available throughout the event in the Atrium Café.

Please feel free to ask our staff and ambassadors anything at all.

We hope you enjoy your visit!
