

Non-Tier 4 Compliance Declaration

It is important that you fully understand and comply with the conditions of your visa. In addition, it is also important that you understand the record keeping and right to study check responsibilities placed upon the University of East London (UEL).

Please complete the following declaration.

I fully understand and agree to comply with the conditions of my visa during my studies at UEL as outlined below:

- ensure that I continue to comply with the conditions of my visa and that I do not change the main purpose for my stay in the UK, as any failure to do so, could affect the continuation of my studies at UEL;
- complete my enrolment and register for modules on arrival at UEL and before the latest date to enrol;
- complete any re-enrolment as required within the necessary time period;
- pay tuition fees promptly, in line with any pre-arranged payment plan;
- provide my original passport, visa and other relevant documents relating to my visa promptly to the International Compliance Team (ICT) as required;
- promptly notify and provide the ICT of any updates to my passport and/or visa, including visa refusal and change of visa category as this could have an impact on my continued studies in the UK;
- keep my contact details up to date on UEL Direct, including changes of address and telephone number and email address;
- attend all scheduled classes, meetings with tutors, dissertation meetings with supervisor and any other arranged sessions, in line with UEL's Attendance Policy;
- give consent to UEL to liaise with UKVI in relation to my immigration status, as appropriate;
- seek advice from the International Students Advice team as early as possible if my immigration status is likely to change, in addition to keeping ICT updated with any changes as outlined above;
- understand that I have been permitted to enrol at UEL on the basis of holding current immigration permission that permits study. If my immigration permission expires during the duration of my programme and it is not possible for me to renew this or to switch to a Tier 4 student visa, I will need to leave the UK and I may not be able to complete my studies at UEL;
- demonstrate that I meet the requirement for Tier 4 visa, if I require the university to sponsor me under this visa category.
