- 1.4 To pay the Deposit to the University on demand if the Deposit has not been paid before the start of the Tenancy Period.
- 1.5 To pay the Council Tax for the Accommodation if at any time the Student is not exempt and to reimburse the University for any Council Tax it has to pay for the Residence as a result of the Student failing to maintain his/her exemption.
- 1.6 To check the Accommodation, the Common Parts in the Flat and their respective Contents when the Student moves in and to report any discrepancy to the University on the check in inspection Inventory within 7 days of taking up occupation. If the Student does not report any damage, or missing items, at the start of occupancy the Student may not be able to rely on the inventory at a later date to prove that the damage was not the Student's fault.
- 1.7 To keep the Accommodation and its Contents and (jointly with other students) the Flat and its Contents in a clean and tidy condition. Cleaning the Accommodation is the Student's responsibility. Cleaning the Common Parts within the Flat is the joint responsibility of the Students using them, although the University will provide routine surface cleaning of the kitchens (except in studio flats). Cleaning the Common Parts outside a Flat is a Service provided by the University, but the Student must not cause those areas to become dirty or untidy. The University may give the Student and/or (as appropriate) other students in the Flat written warning if the Accommodation or the Common Parts of the Flat need to be cleaner or tidier. If there is no improvement on the date of the follow-up visit specified in the notice, the University shall be entitled to hire cleaners to do the work and recover the cost from the Student or students. Keeping studio flats clean is entirely the responsibility of the Student.
- 1.8 At the end of the Tenancy Period to vacate the Accommodation (leaving it and the Flat clean and tidy, clear of all rubbish and personal belongings. The Accommodation must be left in a condition similar to the condition at the start of the tenancy

and generally in a condition reasonably acceptable to the University. The Student must return to the University all keys/passes/fobs/access cards to the accommodation, the Flat and the Residence or notify Residential Life in writing if keys/passes/fobs/access cards are lost. The Student will remain liable for the Tenancy whether or not they continue to reside in the Accommodation until the keys are returned.

- 1.9 To allow the University and others reasonably authorised by the University, at reasonable times and after having been given reasonable notice, to enter the Accommodation for the purpose of viewing, inspection, maintenance, cleaning, welfare or repair. The University will aim to inspect the Accommodation at least once in Semester A and once in Semester B and will give notification of inspection dates via email. At other times the University will aim to give 7 days prior notice for planned maintenance work during term-time. No notice will be given in an emergency; where the need for repair was reported by the Student; in relation to any matter affecting health and safety or the suitability of the Accommodation for habitation; for the prevention or detection of crime (including multi-occupancy suspicions), or where the University has reasonable grounds to suspect that the Student is in possession of or using controlled drugs, psychoactive substances (as defined by the Psychoactive Substances Act 2016) or smoking.
- 1.10 No notice will be given for the purposes of viewing and inspecting the common parts of the Accommodation.
- 1.11 To comply with all applicable legislation to avoid the Student's actions or negligence having an adverse effect on the University or on the owners or occupiers of nearby property.
- 1.12 To comply with the University's policies, rules and regulations which the University makes available to the Student before the Student accepts the Offer (these include policies posted on the University's website). Without in any way limiting the Student's obligation to comply with all the University's policies, the Student must in particular comply at all times with the University's no smoking policy in all parts of the Residence (including the Accommodation itself), only smoke in the designated smoking shelters and must ensure that the Student's visitors do not smoke while at the Residence. The no smoking policy includes the use of shisha pipes, e-cigarettes and vaping and these devices must not be used in the Residence or the Accommodation.
- 1.13 To comply with the University's policies, rules and regulations concerning controlled drugs and psychoactive substances. The University operates a "zero tolerance" policy on the supply, dealing or use of psychoactive substances and controlled drugs. The University's policy actively encourages police involvement where psychoactive substances and controlled drugs are concerned. If the University has reasonable grounds to suspect the Student's involvement with psychoactive substances or controlled drugs, the University will take such steps as are reasonably necessary to terminate this agreement and to exclude the Student from the Residence.
- 1.14 To comply with the reasonable requests of University Residential Life staff, Residential Life Scholars and others reasonably authorised by the University. To adhere to the UEL Personal Dignity policy [\[www.uel.ac.uk/hrservices/documents/emhandbook/personal_dignity.pdf\]](http://www.uel.ac.uk/hrservices/documents/emhandbook/personal_dignity.pdf). The University operates a "zero tolerance" policy on abusive behaviour toward staff and others authorised by the University. Breaches of this nature may be considered gross misconduct and the Student may face a UEL disciplinary.
- 1.15 To report to the University immediately any fire or accident resulting in injury or damage to any part of the Residence or to the Contents. - 1.23 Important information about electrical equipment is set out in the Handbook for Residents. Causing or increasing fire, health and safety or security risks will be treated by the University as a serious breach of these terms and conditions, which could give rise to the University terminating the Accommodation agreement early under clause 4.
- 1.24 Within 3 days of request, either to provide a safety certificate for, or remove from the Residence, any item (other than Contents) which in the University's reasonable opinion is unsafe. Otherwise the University may remove it without further notice to the Student, charge its proper and reasonable storage costs to the Student, and return it to the Student at the end of the Tenancy Period. Items which are perishable or which it is illegal to possess will not be returned. Weapons, even if licensed, and replica weapons will always be treated as being unsafe in a student residence environment and will not be returned.
- 1.25 Not knowingly, recklessly or carelessly to activate or interfere with any fire safety or prevention or detection equipment without due cause. Interference with fire safety or fire prevention or detection equipment is a criminal offence, punishable by imprisonment, as well as a serious breach of this agreement. False fire alarms are very inconvenient for other residents and can be dangerous if other residents start to ignore the alarms as a result. If an alarm is activated, the University will ascertain the cause of activation and, if no cause is apparent, the University will test the sensor and the alarm. If the University is unable to find a technical fault, or just cause for activation, the occupier(s) of the relevant part(s) of the Residence will be held responsible for activation without due cause. On the first occasion, the University will contact the occupier(s) concerned and ask them to take greater care. If there is a second occasion, the University will serve formal warning on the occupier(s) concerned. If there is a third activation without due cause, it will be treated by the University as a serious breach and/or persistent breach of these terms and conditions, which could give rise to the University terminating the Student's Accommodation agreement early under clause 4.
- 1.26 Not to put anything harmful, or which is likely to cause blockage, in any pipes or drains of the Residence.
- 1.27 Not at any time to leave the Accommodation unoccupied without locking the door and window.
- 1.28 Not to leave the Residence main entrance open or to allow anyone to enter who is not a resident, or a representative of the University carrying identification, or accompanied by a resident or representative. Not to transfer possession (permanently or on a temporary basis) of keys or University Access Card to any other resident, student, visitor, guest or other person at any time. This will be considered a breach of this agreement and may result in disciplinary action. Nothing in this clause requires the Student to put themselves at any risk if anyone attempts to force entry. In such circumstances, the Student should not resist but should report the incident at the earliest possible opportunity to the University and/or the relevant authority.
- 1.29 Not to use the Accommodation for any purpose other than as a study bedroom.
- 1.30 Not to use the Accommodation or any other part of the Residence for any purpose other than for their designated use.

Students who need to keep medication refrigerated may apply to the University for permission in writing to Residential Life –residentiallife@uel.ac.uk at least 7 days prior to arrival to keep a fridge in their Accommodation, and this permission will not be unreasonably refused.
- 1.32 Not to share the Accommodation or sub-let it or transfer occupancy to any person. Occasional overnight visitors are allowed on the conditions set out in the Handbook for Residents 2024/25 and on the intranet. To ensure that all the Student's visitors are booked in and out according to the procedures in the Handbook for Residents 2024/25, or as communicated by the Residential Life Manager throughout the tenancy, and, to avoid disturbance to others, not to receive any visitors in the Residence after 11.00 pm or before 8.00am.
- 1.33 Not to cause any nuisance, offence, disruption, harassment or persistent disturbance to others. Noise nuisance between the hours of 11.00 pm and 8.00 am will be treated as a serious breach of these terms and conditions and may lead to the University terminating the Student's accommodation agreement early under clause 4. At all times the Student must avoid creating noise at a level which interferes with the comfort, study or sleep of another resident or the occupiers of neighbouring property. Anti-social, violent, offensive or disruptive behaviour will be treated as a serious breach of these terms and conditions and may lead to the University terminating this agreement early under clause 4.
- 1.34 Not to add to or change the telephone services to the Accommodation and not to add to or change the information technology services installation or supply in the Accommodation. Nothing in this clause prevents the Student from using their own mobile telephone or mobile broadband at the Accommodation.
- 1.35 Not to bring into the Residence any animal unless it is a trained aid for a person with a disability. The Student is requested to notify the University in advance if an assistance animal is needed at the Residence. Consent must be given by Residential Life, and our Wellbeing and/or Disability and Dyslexia team at least 2 weeks prior to arrival. If consent is given, students will be responsible for the proper care and control of their assistance animal and any damage or nuisance which it causes.

Not to ride or drive any vehicle in the Residence unless it is a mobility assistance vehicle suitable for such use. Users of mobility assistance vehicles are requested to contact the University in advance as the University may need to make reasonable adjustments to accommodate the vehicle. This clause does not impose any obligation on the University if the vehicle cannot reasonably be accommodated. Details of car parking arrangements are given in the Handbook for Residents 2024-25.
- 1.37 Not to cause any obstruction of the Common Parts, any fire escape route or any fire exit. Obstruction of fire escape routes or fire exits will be treated as a serious breach of these terms and conditions and may lead to the University terminating the accommodation agreement early under clause 4. The University may immediately on discovery remove and dispose of any item blocking a fire escape route or fire exit.
- 1.38 When the Student leaves the Accommodation, the Student must give the University a forwarding address and notify correspondents that mail for the Student should no longer be sent to the Accommodation. The student must remove all items from the Accommodation and return the keys to the Residential Life Office or Security Office on the Docklands Campus.
- 1.39 To attend meetings as requested by the Residential Life team. To fully cooperate in good faith with any Residential Life or UEL disciplinary investigations and processes as outlined in the Residential Life Handbook 2024-25 and/or the UEL Student Code of Conduct. - 3.1** The Student is responsible for the conduct of their invited visitor(s) at all times in any part of the Residence and on University property. This includes being responsible for any nuisance or damage their visitors cause or trespassing where the student has been previously excluded from the University.
- 3.2** The Residence, including the common parts, laundry rooms and "common rooms" are for residents only. Any visitor may be allowed access to the Residence, subject to the Student following correct procedures and at the discretion of the Residential Life Office. Any visitor may be banned from the Residence at the discretion of the Head of Residential Life and Conduct. Students who have been previously evicted are not allowed in the Residence or common parts whether invited by a current resident or not.
- 3.3** The University will collect, use and store your personal data for the purposes of administering the contractual obligations set out in the accommodation agreement between UEL and you. All processing will be carried out in line with the Data Protection Act 2018 and full details of how we use your data can be found in our fair processing notice available on uel.ac.uk. You should be aware that Residential services will share your personal data with internal university departments where it has a legitimate purpose to do so such as the outcome of disciplinary proceedings, reportable incidents and incidents relating to the prevention and detection of crime or debt recovery, for wellbeing support or personal development activities. To assist with the prevention and detection of crime, Residential Life will cooperate with relevant Police investigations. UEL also share residents' names with the Electoral Registration Officer at Newham Council to support voter registration.
- 3.4** The University's liability for loss or damage to person or property is excluded unless the loss or damage is caused by the University's negligence or breach of its obligations in these terms and conditions. Personal belongings left at the Residence are at the Student's own risk. Although the Student's personal belongings (up to a maximum value of £5,000 in total) are insured under the Block Halls Insurance Policy (www.endsleigh.co.uk/reviewcover), that insurance is subject to the conditions, exclusions, limitations and excesses of the policy. "Top-up" insurance cover is available direct from Endsleigh, and details of how to arrange this, and the terms of the policy, are available on www.endsleigh.co.uk/reviewcover.
- 3.5** The University is not liable to repair any damage caused by the Student or by the Student's visitors unless and until the cost is met by insurance or by the Student (any excess on the policy being payable by the Student). The University will carry out the repair sooner where the repair is needed to make the Residence safe.
- 3.6** The University may temporarily or permanently suspend use of the Common Parts if they are not kept in a clean and tidy condition by the students using them but will not withdraw essential services (e.g. electricity and water supply).
- 3.7** The agreement between the University and the Student does not affect the University's disciplinary powers. A breach of the Student's obligations in these terms and conditions may also be treated as a breach of the University's Code of Conduct and Handbook for Residents 2024-25 which are binding on the Student from the point of registration at the University.

- 3.8** The University is entitled, at the Student's expense, to remove from the Accommodation or the Common Parts any article which constitutes an obstruction or a fire or health or safety risk but (unless it is a weapon, or perishable or illegal to have in one's possession) will if requested return it to the Student when the Student vacates the Accommodation. The University is entitled to remove any item left in the Residence by the Student when the Student vacates and shall not be obliged to return it to the Student (although the University will use all reasonable endeavours to contact the Student to arrange for an item to be collected if it is of obvious value and presumed left in error).
- 3.9** The tenancy to be granted in accordance with these terms and conditions will be a student tenancy under paragraph 8 of Schedule 1 to the Housing Act 1988.
- 3.10** Notices relating to this agreement and the Student's occupation of the Accommodation must be in writing (which includes email) unless the Student has a disability which prevents them from giving or understanding written notice. In such cases, notices can be given in a way that has previously been agreed between the University and the Student. The University's address for service is given at the start of this agreement. Any notice required to be given by the University to the Student may be served by delivering it to the Accommodation (unless the University is aware that the Student has ceased to occupy the Accommodation) or by first class post or email to the Student's last known address.
- 3.11** The University will use the Deposit to offset any sums which the Student owes to the University or costs incurred by the University in the event the Student breaches any of the terms of this agreement including arrears of rent, and costs incurred remedying any default of the Student pursuant to this agreement.
- 3.12** The Offer, this agreement, the Handbook for Residents 2024-25 (www.uel.ac.uk/accommodation/accommodation-documents), the policies and procedures referred to in them and the terms and conditions of the Block Halls Insurance Policy (www.endsleigh.co.uk/reviewcover) contain all the terms agreed to by the University and the Student regarding the Accommodation at the time this agreement comes into effect. Any variation to the terms will only be effective if agreed between the Student and the University's Head of Residential Life. The University will confirm any agreed variation to the Student in writing at the time the variation is made.
- 3.13** If for any reason beyond the University's reasonable control the Accommodation is not ready for occupation at the start of the Tenancy Period (for example, if a prior occupier has refused to leave, or if the Accommodation needs work carrying out to it) the University will offer the Student comparable alternative accommodation and the Student will accept it (provided it is comparable or better). Where the alternative accommodation is in the same Residence as the Accommodation, and of the same or better type, and in good repair and condition, it shall be regarded as comparable and suitable, and shall not constitute a variation to what the University agreed to provide. In other cases, the Student shall be entitled to terminate the accommodation agreement if the Accommodation is still not ready for occupation after the first 4 weeks of the Tenancy Period, instead of continuing to live in the alternative accommodation.
- 3.14** The University will not permit continuing occupation after the Tenancy Period has expired, unless the Student has been granted an extension in accordance with clause 6. If the Student stays in occupation of the Accommodation after the Tenancy Period has expired, the Student must continue to comply with their obligations in this agreement (and in the documents referred to in it). The University will take legal proceedings to recover possession of the Accommodation if the Student stays in occupation longer than they should as permitted by this agreement.
- 3.15** As of 1 August 2014, Rent is not currently subject to VAT.
- 3.16** If any clause in this agreement is held by a competent authority to be unfair or unenforceable, that clause shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible without altering the fundamental intent of the clause, the relevant clause shall be deemed deleted. Any modification to or deletion of a clause shall not affect the validity and enforceability of the remainder of these terms and conditions.
- 3.17** No persons under the age of eighteen are allowed in the Residence at any time during the Tenancy Period.

4.0 Termination

- 4.1** The University may (but is under no obligation to) terminate this agreement and the Student's right to occupy the Accommodation and re-let the Accommodation at any time during the Tenancy Period if the Student has not taken up residence. As long as the Student requests a late arrival date in writing, to reach the University by the end of the 7th day of the Tenancy Period, the University may agree not to try to re-let the Accommodation and agree to hold it for the Student for up to 14 days from the start of the Tenancy Period. (The University may (in its discretion) hold the Accommodation for longer). The University will confirm any such agreement to the Student in writing. If the Student does not take up residence, the Student will be liable to pay Rent from the start of the Tenancy Period until the Accommodation is re-let or, if sooner, until the end of the Tenancy Period, as outlined in the UEL Allocation Policy and the Residential Life Handbook.

- 4.2 The University may terminate this agreement at any time by serving notice on the Student if:
- (a) Any instalment of Rent is 14 or more days overdue;
 - (b) Any other payment the Student is required to pay by this agreement (or the documents referred to in it) is 14 or more days overdue; or
 - (c) The Student is in serious or persistent breach of any of the Student's obligations; or
 - (d) The Student does not have status as a registered student of the University; or
 - (e) In the reasonable opinion of the University the health or behaviour of the Student constitutes a serious risk to him herself or others or the University's or another person's property or makes them unfit to be in Residence;
 - (f) The Student is convicted of an offence involving but not limited to controlled drugs or psychoactive substances, grievous bodily harm, physical or sexual assault, possession of offensive weapons, or the University has reasonable grounds to suspect that the Student has committed an offence involving controlled drugs or psychoactive substances. The University will take court proceedings against the Student if necessary, to protect the University's interests.

4.3 The University may terminate this agreement and the Student's rights to occupy the Accommodation at any time by taking possession of the Accommodation if the University reasonably believes that the Student has stopped living there. The University will use reasonable endeavours to re-let the Accommodation, but the Student will be liable for the University's net loss of income until the Accommodation is re-let or, if sooner, until the end of the Tenancy Period.

4.4 If the Student withdraws from their studies at the University, the Student may apply to the University for early termination of their accommodation agreement by submitting an Early Release from Contract Request form and supplying the required supporting evidence. After considering the application, the University may, in its reasonable discretion, release the Student from his/her obligations for the remainder of the Tenancy Period. After submitting an application for release, the Student remains liable to pay Rent until the release is effective. If the University authorises a release it will be on the following conditions and the release will not be effective unless and until the Student:

- (a) makes payment for, or puts right, to the University's reasonable satisfaction any breach of the Student's obligations; and
- (b) written proof of the student's withdrawal request submitted to the Student Support Hubs
- (c) pays the University the equivalent of four weeks rent from the date of release; which is the date the Student has departed and returned the keys or the Students Rent Release Request has been approved and the criteria of the Rent Release Request process met; whichever is later.
- (d) pays an administrative fee of £50 for the variation or assignment of this agreement.

If a release is not authorised under this clause 4.4, the Student shall still be entitled to terminate their accommodation agreement in accordance with clause 4.5.

4.5 There is no "cooling off period" for this agreement (see regulation 6(1)(d) of the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013). If the Student is not authorised for release under clause 4.4, the Student may only terminate their accommodation agreement in accordance with this clause 4.5 and will remain liable for the Rent until:

- (a) Where the Student:
 - submits an Early Release Request form in line with clause 4.1 and makes payment for, or puts right to the University's reasonable satisfaction any breach of their obligations; and
 - supplies the required supporting evidence in line with the Early Release Request criteria.
- (b) The University may release the Student from his/her obligations for the remainder of the Tenancy Period, but is under no obligation to do so. If the University accepts the Early Release Request by confirming it in writing, the Student must:
 - meet all conditions set out in the University's response to the Early Release Request;
 - pays the University the equivalent of four weeks rent from the date of release; which is the date the Student has departed and returned the keys or the Students Rent Release Request has been approved and the criteria of the Rent Release Request process met; whichever is later.

(c) If the Early Release Request is not accepted by the University, the Student will remain liable until the Student makes

payment for, or puts right, to the University's reasonable satisfaction any breach of the Student's obligations or a replacement student who is reasonably satisfactory to the University as a tenant and who is not already a tenant of the University enters into an accommodation agreement with the University for the Accommodation. For the University policy on replacement tenants, please see clause 4.6.

- (b) If the Students accommodation agreement is terminated they must pay a fee of £50 for the variation or assignment of this agreement.
- 4.6 The University will make vacated rooms available to its existing tenants for room transfers, but transfers will not be treated as satisfying the obligation to find a replacement student for the purposes of clause 4.5, because transfers will not reduce the number of empty rooms in the Residence. A new occupier will only be treated as a replacement tenant where the empty space in the Residence caused by the Student's early departure has been filled so that there is no loss to the University. The University shall be entitled to fill any rooms which are already vacant before allocating people on its waiting list to the Accommodation. Once the University has filled the rooms already available to let, the University will prioritise help with finding replacement tenants according to when a termination notice is received, taking into account any particular letting criteria applicable to the Accommodation (such as room preferences or tenancy dates). The University does not guarantee that it will be able to find a replacement tenant. The University will only refund the Rent if and when the void in the Residence caused by the Student's early departure has been filled and there is no loss to the University.
- 4.7 The Student may apply to transfer to another room in the Residence or at another University residence, but the Student must first:
- (a) apply to Residential Life for a transfer;
 - (b) if a transfer is granted, enter into a new agreement for the new accommodation;
 - (c) reschedule any outstanding debt to a new payment plan or pays any outstanding debt in advance of the move.
 - (d) pay to the University £50 towards the costs of varying this agreement;
 - (e) have complied with their obligations in the accommodation agreement in all important respects.
- 4.8 If the Student's accommodation agreement is terminated early by either the University or by the Student the University will refund a fair proportion of pre-paid Rent and the Deposit (after making any proper deductions to cover its losses and charges properly payable under the agreement) as soon as possible after the termination becomes effective. Termination by the Student does not become effective until after all the conditions in clause 4.5 have been met. Pre-paid Rent will only be refunded for the period where the void in the Residence caused by the Student's early departure has been filled and there is no loss to the University. Any Student whose accommodation agreement is terminated early by Notice to Quit will be liable for the 4-week period and change of contract charge. Conditions (b) to (d) in clause 4.5 and the University's "No Refunds" policy in clause 4.8 shall not apply if the Student is able to show that the reason for termination is a serious or persistent breach of the University's obligations in these terms and conditions, or because the Student is prevented from continuing their studies or independent living because of a disability.
- 4.9 The University may relocate the Student to comparable alternative accommodation if necessary and where it is reasonable to do. Relocation may be required for but is not limited to, maintenance, summer conferencing commitments, turnarounds and pest control or as a disciplinary precautionary measure.
- Where the University relocates the Student because the Student is in breach of one or more of their obligations in these terms and conditions (and the documents referred to in them) or where the relocation is made at the Student's request the Student shall pay the University £50 towards the costs of varying this agreement.
- Where the University relocated the Student as a precautionary measure pending any UEL disciplinary or police investigation the Student will not be liable to pay the University £50.
- 4.10 The University's acceptance of the keys to the Accommodation at any time shall not in itself be effective to terminate the Student's tenancy while any part of the Tenancy Period remains unexpired.
- 4.11 The Student will be liable for the cancellation costs as outlined in the Residential Handbook 2024-25 and the Allocation Policy should the student wish to terminate their accommodation agreement before the tenancy commences.

5.0 Studio flats

- 5.1 This clause 5 applies only to the University's self-contained studio flats.
- 5.2 Where the Accommodation is a studio flat, references in these terms and conditions to the shared areas within a Flat do not apply.
- 5.3 The Student will be solely responsible for keeping their Accommodation, including the kitchen, clean and tidy and the University is not responsible for cleaning any part of a studio flat.
- 5.4 The permitted use of the Accommodation is as a self-contained residential flat.

6.0 Summer extensions

- 6.1 This agreement does not permit the Student to remain in the Accommodation beyond their tenancy end date, and the Student must vacate the Accommodation at the end of the Tenancy Period unless the University grants an extension, for the same room, in accordance with this clause 6.
- 6.2 The University does not guarantee that all applications for summer extensions will be successful, because there is only a limited number of places available.
- 6.3 If the Student wishes to stay in University residences during the summer:
- (a) The Student must have paid all Rent and other sums due under their 2024-25 accommodation agreement;
 - (b) The Student must have complied in all material respects with the other terms of their accommodation agreement throughout their Tenancy Period;
 - (c) The Student must apply for the extension using the guidance as communicated by the University's Residential Life Office and submit the completed form and any supporting documents to the University not later than the deadline specified by the University's Residential Life Office.
- 6.4 If the application for an extension is successful, the University will make the Student an offer, setting out the core terms of the extension and the deadline for accepting it. The offer may not be for the same room as the Student occupied during the Tenancy Period and the Student will have no right to insist on being allocated any particular room.
- 6.5 The Student's cancellation rights set out in clause 4 do not apply to summer extensions and the Student will be charged the full advance rent should they change their mind.

8.0 Special conditions – Covid-19

- 8.1 For your safety and security, your stay at the University accommodation will always be subject to appropriate government guidance and regulations. This particularly pertains to any restrictions imposed on the University and the community in

case of a local or national lockdown.

- 8.2 By signing this agreement, you agree to follow any guidance issued by the University in line with governmental and regulatory policies in response to a Covid-19 outbreak, including but not limited to the Community Statement as communicated by the University from time to time.
- 8.3 If you have any concerns regarding measures taken by the University to ensure safety of the student community, you can contact: residentiallif@uel.ac.uk confidential conversation. Our Student Wellbeing team is here to support you if the global pandemic affects your wellbeing.
- 8.4 The University will make reasonable efforts for student residences to remain operational throughout any potential Covid-19 outbreaks. The decision to close the residences will only be upon adequate determination by the Public Health England, or an equivalent body. For the avoidance of doubt, future outbreaks and local lockdowns will not be sufficient grounds for termination and you will only be released from your tenancy under clauses 4.4 or 4.5 of this Agreement.
- 8.5 If your financial or personal circumstances are affected by a new outbreak to an extent that you find yourself unable to pay rent or similar, you must contact Credit Control creditcontrol@uel.ac.uk at the University as soon as possible to explore possible alternative arrangements. The University does not guarantee that any such alternative arrangement will be available to you and each case will be discussed on a case by case basis.
- 8.6 For the avoidance of doubt, if your disciplinary or non-payment record forms otherwise sufficient grounds for the University to initiate legal proceedings against you, the University reserves the right to commence such proceedings as soon as reasonably practicable during or following a Covid-19 outbreak, subject to legal limitations. In practice, this means that you cannot use the pandemic as means to seek a waiver of past debt or to avoid eviction.
