

# Part 12

## Admission with Advanced Standing or Progression Arrangements with Partner Institutions

### 1 Introduction

- 1.1. This part of the manual details the quality procedures for entry with advanced standing (articulation) and progression relationships.
- 1.2. In the context of this section of the manual, the term 'institution' is used to describe any educational establishment (e.g. college of further education, college of higher education, university), or public or private agency providing education.

### 2 Articulation Agreement

- 2.1. An arrangement whereby the University guarantees students consideration for admission (but not guaranteed entry) onto a UEL award with advanced standing, after successful completion of an award at another institution. This arrangement recognises credit awarded by the partner institution as contributing towards a University of East London award.
- 2.2. In these circumstances UEL is not responsible for the quality of a course offered by a partner because it does not lead to a UEL award. Nevertheless, UEL is responsible for:
  - 2.2.1. ensuring that the academic achievements of students completing these courses are appropriate for entry to specified University courses;
  - 2.2.2. ensuring that students taking these courses are not misled in any way about the character of the courses, or their prospects for future admission to a UEL course, by virtue of inappropriate information distributed by the collaborating institution;
  - 2.2.3. maintaining regular communications with the collaborating institution to encourage the success of the partnership.

### **3 Progression Agreement**

- 3.1 An arrangement whereby the University guarantees students consideration for admission (but not guaranteed entry) after successful completion of an award at another institution. This arrangement does not recognise credit as contributing towards a University of East London award.
- 3.2 In these circumstances, UEL is not responsible for the quality of the course offered within a Progression arrangement as it does not contribute towards an award from the University of East London. Nevertheless, UEL is responsible for:
- 3.2.1. ensuring that the academic achievements of students completing these courses are appropriate for entry to specified UEL courses;
  - 3.2.2. ensuring that students are not misled in any way about the character of the specified UEL courses, and are not guaranteed entry to a UEL course, (but are guaranteed consideration), by virtue of inappropriate information distributed by the collaborating institution;
  - 3.2.3. maintaining regular communications with the collaborating institution to encourage the success of the partnership.
