CONGRATULATIONS.. ALICE CLARK

Alice Rose Clark is a third-year student studying BA (Hons) Events Management and Music Industry Management.

“As captain of the UEL first-team netball squad, this year has been one of my most successful in terms of sporting achievements for UEL. My dedicated squad of talented players has exhibited just how far hard work can get you. We were not only promoted to a higher division after winning the BUCS league, but also were crowned the winners of the BUCS plate competition.”

Well done to Alice and her team!
