Library and Learning Services is committed to providing assistance and support to all students with disabilities and dyslexia.

Access
All our libraries are fully accessible for wheelchair users.

Information
If you need any help in the library, whether for specific library services or for more general help, just ask at any helpdesk. We can help you use the catalogue, check your account or find a book or journal on the shelf.

Extended loans
One week loans can be borrowed for two weeks by all students who have registered with the Disability, Dyslexia and Access Service. Call 0208 223 7611 to find out how to get registered.

Ask-a-Librarian
Our online chat service with a librarian is available from 1-7pm each weekday and from 1-5pm at weekends.

E-resources
Many of our e-resources are available in different formats, including ‘Read aloud’ and ‘Speech to text’. Follow the links on the resources where available, or ask a librarian for more help.

Photocopy receipts
We’ll give you receipts for your photocopying, for re-imbursement through the DSA. Please speak to a member of helpdesk staff before loading up your photocopy card.

IT equipment
We have PCs with assistive software at all three sites, including scanners, text speak and Braille printers. We also have bookable spaces in each library where this software can be used. Contact the following staff if you need technical support.
